Welcome to Indian Book Depot (Map House)

Who We Are

Welcome to Indian Book Depot (Map House), established in [1988]. We are dedicated to providing a diverse range of books, maps, and educational charts. Our mission is to foster learning and exploration through quality educational materials. Our vision is to be a leading provider of educational resources, inspiring knowledge and curiosity in readers of all ages.

Shop Online with Us

Experience the convenience of shopping from home with our user-friendly e-commerce platform. Our online store features:

- **Easy Navigation:** Find what you need quickly and easily.
- **Secure Payment:** Safe and secure payment options for a worry-free shopping experience.
- **Fast Delivery:** Quick and reliable delivery to your doorstep.

The background features a vintage-style map with German text like 'RHEINISCHES REICH' and 'SIAM'. The map is layered over a pattern of orange tulips and a large, detailed illustration of a red rose. The entire scene is set against a light beige, speckled paper-like texture.

Our Products

Books

A vast collection of storybooks, educational books, and activity books for kids.

Maps

Detailed world maps, country maps, city maps, and thematic maps for learning and travel.

Educational Charts

Informative charts covering alphabets, numbers, animals, science topics, and more.

Books for Kids

- **Storybooks:** Engaging stories that spark imagination and creativity.
- **Educational Books:** Books that make learning fun and interactive.
- **Activity Books:** Books filled with puzzles, coloring pages, and other activities to keep kids entertained while learning.

Maps

Our collection of maps is both extensive and detailed, including:

- **World Maps:** Comprehensive maps of the world.
- **Country Maps:** Detailed maps of individual countries.
- **City Maps:** Maps of major cities for travelers and students.
- **Thematic Maps:** Specialized maps focusing on specific themes or topics.

Educational Charts

Our educational charts are perfect for enhancing learning at home or in the classroom. We offer charts on:

- **Alphabets and Numbers:** Helping children learn the basics of language and math.
- **Animals and Nature:** Introducing kids to the natural world.
- **Science Topics:** Covering various subjects such as the human body, space, and more.
- **World Maps:** Encouraging geographical knowledge and exploration.
